

# Nick Fehr

PHP Developer & Entrepreneur

nickfehr@gmail.com

---

## Summary

I'm Nick Fehr and I mostly write backend code for internet applications, using CakePHP. I'm from the San Francisco Bay Area and have a History degree from UCLA. Check out some of my work on [nickfehr.com](http://nickfehr.com).

## Specialties

CakePHP, MySQL, XHTML/CSS, JQuery, UI/UX, Wireframing, Server Architecture, Adobe Creative Suite

---

## Experience

### **Co-Founder at The Bosco**

June 2011 - Present (4 months)

I started a digital photo/ video booth company in New York City.

### **PHP Developer at Reindeer**

January 2011 - Present (9 months)

Software developer at a digital agency. Primarily responsible for backend coding and scaling/server maintenance for Patron Tequila's websites, as well as other clients that include Gwennyth Paltrow and Tiffany&Co.

### **PHP Developer at philosophie LLC**

October 2009 - Present (2 years)

Software developer at a digital agency, where I'm responsible for writing backend code for a wide range of projects for brands big and small.

### **Jr Software/Web Developer at Cyber2Media, Inc**

June 2010 - September 2010 (4 months)

Development of smaller lead generation sites, using both Wordpress, CakePHP, and a lot of JQuery. Sliced .psds and coded both frontend and backend.

### **Co-Founder at Ratscratch Photography**

October 2008 - February 2010 (1 year 5 months)

Photo booth rental company. Developed and constructed photo booth. Created marketing materials, established business and constructed custom website for viewing and sharing photos.

### **PHP Developer at CityQi**

June 2009 - October 2009 (5 months)

Full backend web application development with PHP from scratch for location-based startup.  
Integration with google maps.

### **Web Development Intern at FontShop**

June 2008 - September 2008 (4 months)

Development intern focusing on both backend and frontend development for fontshop.com.  
Redesigned checkout workflow and developed inline error messaging using javascript.

---
